father and begged for forgiveness. He was immediately forgiven. Overjoyed by his father's kindness, the brother went that day, to reconciliation at his local church. To this day he always listened to his father.

Luke 11:1-4

* You understand the message of the story - it is never too late to go back to say sorry and ask for God's (Father's) forgiveness.

* You recognise that this powerful message is as important today as it has always been.

* Why was it important that the son ^{went} to church to receive the sacrament of Reconciliation?

It is important because even though he did things wrong, he was able to be forgiven!
