

3. Secret teacher

Secret teacher

Challenge students to take on an **additional role** in the lesson or during homework or to impart **more challenging content** anonymously!

At the end of the lesson the students could have to guess who the secret teachers were!

Secret teacher

1. Provide them with **additional challenging information** to **teach** 'secretly' to their peers in a group
2. Get them to play '**devil's advocate**' and constantly challenge their peers to **justify** why or insist on **accuracy** in a practical technique
3. Leverage their expertise to act as an **expert** to **teach** others more **challenging concepts**

Secret teacher

Secret Enforcer of accuracy

Secret teacher

Bench Press:

- Are your feet meant to be off the floor?
- Could you bench press a heavier weight?
- I'm not sure your palms are facing the right way.
- Watch.....they are doing the correct technique consistently
- Try and push up faster and then slowly lower the weights
