

**BROADENING YEAR 12'S  
CULTURAL CAPITAL**

## BROADENING YEAR 12'S CULTURAL CAPITAL

- This was produced as a means to encourage Year 12 Language students to engage with content outside of the course criteria which could help them to broaden their knowledge of culture and identity, both past and present.
- I created and populated a Padlet with a variety of topics whereby they can pick and choose areas to delve into.
- Very much a work in progress which, hopefully, students will contribute to as they move into Year 13.
