

# Misconception Videos – Chemistry & Maths

Videos recorded  
Mon/Tues acting on  
clear misconceptions

These are then sent  
to individuals making  
the same mistake

These are then shared  
with the class to  
support other  
students

Kayla Francis' Assignment

SD write a comment...

SD Have a look at the below video to help you with some of those harder examples.

**Polyatomic formula feedback**

SD Well done Kayla, fantastic work. Look at my marking on sheet 2, you need to remember to cross over the charges to have equal numbers to make 0.

**Video worksheet - chemistry**

**Last weeks socrative quiz feedback 10.3**
