## Un sac de billes: thème de l'enfance, chapitre par chapitre

Une exploration des moments où l'enfance (ou bien la perte de l'enfance) est importante

Anonymous 1d

### Chapter 1

The chapter begins with many childhood references such as the game of marbles and childhood features such as impatience "alors, merde, tu te decides" sitting on the pavement and the game of marbles emphasises the youth of them. in addition the link to Jo losino

### Arguments against Universal credit

Anonymous 15d

-you can't get universal credit if you have or are eligible for severe disability premium. So even if you don't have severe disability premium, but are eligible for it, you can't claim universal credit

Owen

-Simpler to roll all benefits into one than to have loads of small ones innit

-Gives people the independence to decide how they divide up their benefits
