

Tier 3 Strategies - Making connections

- Display a series of words and ask students to pair them up in whichever way they choose.
- They then must provide an explanation for why they've made their choice.
- Student demonstrate their acquisition of new vocabulary by identifying how it can be used within varied contexts.

Making Connections: Sociology

Objective: To demonstrate knowledge of the Marxist perspective

Objective check

- Choose at least **two words** from the list
- Explain how they are connected, demonstrating your understanding of the terms
- e.g. 'Bourgeoisie and means of production are connected because the bourgeoisie are the rich people who own the means of production like the factories that employ the workers and produce the goods'

Extension: Can you predict what the Marxists might say about crime and deviance?

Making Connections: English
